BULL SALE

MARCH 30 & 31, 2025
DLMS FARM GATE TIMED AUCTIONS
www.farmgatetimedauctions.ca

Tim & Kim Matthews

I'd like to welcome you to the Annual Riverstone Bull Sale. This is an exciting and unprecedented time to be in the cattle industry. We are all enjoying record prices in not only the calf market but slaughter as well. It feels like, as ranchers, we are finally catching up to the inflation that has happened in all other businesses.

Once again we are selling the bulls through a on-line format via "Farmgate" Auctions/DLMS. This will be our 5th year holding the sale on-line instead of a "in person" sale. When COVID hit and facilities were shut down we were forced to look into other sale options. All the years prior to 2020 we had to truck bulls to a different location and truck them back home. The change in water, stress of transport and repenning of bulls seemed to take a toll on the offering and since we do not have a sale facility at the farm we have decided to keep with the on-line Farmgate option. Even though we are a strictly on-line sale we encourage you to please stop by and walk through the bull pen and have a look at this years bulls at the farm. Just give us a call when you can make the trip, the coffee is always on and the beer is always cold!

This years set of bulls are once again always a selection of "cow bulls" and calving ease "heifer specialists". We still did alot of Al'ing this past year but the majority of the bulls we used were some of our favorite past high sellers in recent years out of our sales. Riverstone Vegas, the 2022 Reserve Champion Bull at the National Western in Denver. He was purchased from our bull sale in 2021 by Six Mile Angus and has since been gracing the pastures of the famous Griswold program in Oklahoma. We used him as our main cow bull. On the heifer side Riverstone Splash is making his mark at Riverstone. This Grazer son has been used on everything. He now resides at Lakeroad Angus in Worsley, AB and is excelling there. He calves super easy and brings growth to the calves. He is a true all purpose bull. Southern Charm was also used on the heifer side of things and is very similar to Splash. We also used Jesse James, Emerald and Barricade from the tank. Our walking bulls, White House, Journeyman and Equity make up the rest of the offering. We are very confident in our own bulls to get the job done.

We have a smaller number of bulls again this year due to pinkeye going through the bull calf pasture last summer. We had to move on from several prospects unfortunately. We eliminated all of the bulls we determined would not work 100%. As a disclaimer there are 2 bulls in the offering with a small spot in one eye. They have been vet checked and deemed perfectly fine. They are lots 17 & 18 and rest assured we stand behind our bulls.

Once again the bulls have been raised on a complete feed pellet from Bullsseye Feeds in conjunction with our own high protein hay and silage. Bulls are weaned in September and put back out on grass for a month or so and then started on feed. We feel by doing this it adds to the longevity and production of the bulls while maintaining body condition that is ready for breeding season.

Feel free to give me or Mark Shologan with DLMS a call if you have any questions or require any assistance with your bull selection, we would be happy to help and remember the door is ways open for a visit!

HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit www.dlms.ca , scroll down sale list to find the sale you are interested in bidding on. Click on the sale listing and you will be taken to the FarmGate Timed Auction Sale page.

2. After you are at the FarmGate Timed auction site - farmgatetimedauctions.ca, click the **LOGIN/REGISTRATION button.**

First time FarmGate users:

- First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a user name and password for use on all Farm Gate Timed auctions. (please note due to some of the text notification features the FarmGate Time Auction Site requires a new account separate account from your DLMS Live sale site)

- After you create your FarmGate account you will receive a text message with a pin code to verify your account.

- On your first log in to FarmGate Timed auctions we recommend you go to your profile and confirm your notifications are set to YES. This allows the site to send you text and/or email notifications when you are out bid and if there is activity on your favorite lots.

Returning FarmGate users:

- If you have used Farm Gate Timed auctions in the past simply enter your user name and password to continue. After you have logged in you are able to browse the timed auctions on DLMS FarmGate Timed Auctions.

3. How to Bid

Now that you are logged in and your account phone number / email is verified you are able to bid on an upcoming sale. Simply find the lot you are interested in bidding on. After you have found the lot there are 2 options for bidding on the lot.

- **Place Next Bid** – to place the next bid on the item, you see the amount in the first box, you simply click the “Place Bid” button and after you review the bid and agree to the terms and conditions your bid will be placed.

- **Max Bid Amount** – to place a max bid you put your max bid in the second box listed as “Max Bid” on the item, and then click the “Place Bid” button and after you review the bid and agree to the terms and conditions your bid will be placed as the next bid. With the Max Bid placed the computer will then keep you as the high bidder to the max amount you have placed. This can be a great feature if you are not able to give 100% attention to the sale close out and protect your interest so you do not miss out on any lots you want to purchase. The Max Bid amount is completely confidential from the seller during the sale process.

Example of How the Max Bid Works - If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest. Please note that in some cases a lot value can change very quickly if 2 max bids are placed on the same lot competing against each other.

4. Watch List Feature

If you have items in multiple auctions or only a few from the same auction that you want to watch with out having to scroll through the entire list you can add the lots to your watchlist. On each lot you will see the “eye” button beside the bid button, by clicking this “watchlist” Icon that item is added to your personal watchlist for easy viewing of just your favorite lots in this sale or on the entire site.

5. Sale Ending / Closeout

Most FarmGate Timed Auction sales close racehorse style with extended bidding.

What is Racehorse Style Close?

Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

How will Extended Bidding works?

When we get to the close out end time the clock for close out extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

6. Bidding Close & Follow-up

After the clock has gone to “ENDED” and no bidding has occurred for 5 min the computer will declare the sale finished. Following the close typically within 24 hours of the sale close the sale consignor will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/Pick up of your lot. Or as the winning bidder you can contact the sale consignor / sale manager to confirm payment instructions.

Please make sure that your account info is up-to-date and correct if you are the winning bidder of a lot as this is how the billing is sent to Sale manager and/or Sale consignor.

BUBS Southern Charm AA31

SIRE OF LOT 1

BUBS Southern Charm AA31 is a bull to fit almost anyone's needs. He has impeccable phenotype with Balance from every angle, but honestly that's just the icing on the cake, take a long look at his epd set and you will find there is much more to him that just good looks. He is a game changer in terms of carcass epds.

Riverstone Vegas 49H

SIRE OF LOTS 2-6

Riverstone Vegas has definitely made a name for himself in the past year. Vegas has the high seller in our 2021 bull sale and was purchased by Six Mile Ranch. This bull has since made a massive impact south of the border and is now being used and in part ownership with some of the best breeders in the business. His outcross pedigree makes him a unique to most of the popular genetics in the Angus breed.

SAV Jesse James 0968

SIRE OF LOTS 7 - 9

A Schaff Angus Valley Sale Headliner – with stellar phenotype, powerful performance, herd changing properties and breed impacting potential. SAV Jesse James 0968 is in a phenotypic class of his own, demonstrating power, presence and structural balance in every step he takes.

Sitz Barricade 632F

SIRE OF LOT 10

Barricade is unmatched in his depth of body, muscle shape and power combined with outstanding growth figures. One of the most exciting parts is his maternal performance. He ranks among the best in the breed for \$M,HP,CLAW and ANGLE.

reference Sires

Riverstone Splash 10K

SIRE OF LOTS 11- 14

Splash was the high selling bull in our 2023 Bull Sale. He was definitely a crowd favorite in the pen that year. We loved the bull so much we drew semen on him before he sold to Lakeroad Angus from Worsley, AB. He is a bull that we used on both heifers and cows.

Riverstone White House 48J

SIRE OF LOTS 15 - 19

Riverstone White House is a SAV President son who is the senior herd sire at Riverstone. Although he throws a little higher birthweight they come unassisted with a extremely long body and smooth shoulders. This is his first calf crop and with this group of offspring he is sure to stick around here for a long time. His dam is a beautiful Banknote daughter who is very docile.

Brooking Emerald 9179

SIRE OF LOT 20

When Brooking Emerald sold in the Rose Bowl sale, we at Riverstone, were one of the group of breeders to purchase his rights that sold for \$94,000 that day. He is muscular, masculine, deep ribbed, with an abundance of shape in his hip. He is excellent footed with an even balance of weight distribution from his front to back and sound moving. Brooking lost this bull last year so his progeny will become more valuable and limited.

Riverstone Journeyman 49J

SIRE OF LOTS 21-23

Journeyman is a Grazer son that we used on our first and second calvers. He is a calving ease specialist throwing light birth weight calves. We love the structure on this bull and has an excellent set of feet and legs.

Riverstone Devin 121K

SIRE OF LOTS 24

This bull was used at Riverstone on a small group of heifers and cows and his super power is "calving ease". He is a smaller framed bull that is easy fleshing and good doing.

Riverstone Equity 24H

SIRE OF LOTS 25 - 30

Equity was the senior herdsire at Riverstone until we lost him last fall. He was a powerhouse bull that was a outcross for us being a son of SAV Best Interest. His dam was one of those good solid cows with high maternal traits and never missed. He had it all... power and performance combined with amazing maternal traits.

The crew at Riverstone have put together a great set of bulls this year. I have had the pleasure to work with the Matthews crew at Riverstone Cattle Co for many years. Their operation has transformed and focused very hard on their Angus program.

Their focus to raise high-quality functional cattle has never wavered throughout the transformation. The bull feed

program utilizes high-quality on farm forages with a custom-designed complete feed pellet balanced for proper protein and energy requirements. Organic minerals are used to ensure proper immune function and overall health.

If you have any questions about the nutrition of the sale bulls, please feel free to call—best of luck on sale day.
